

MODELLO

CERAMIC FLOOR AND WALL TILE

Modello 200x200mm

Colour

Range Information

Range	Modello
Collection	Feature
Style	Modern, Contemporary
Finish	Matt
Format	200x200mm
Edge	Pressed

Comfortable serene moods evoked by concrete look materials, the Modello series is built around cool relaxing shades and geometric patterns. Alternating patterns and mixing designs gives character and design distinction. The cement look tile base adds a modern tasteful elegance which suits both wall and floor applications. The range consists of 11 individual designs, with each carton (35 tiles) consisting of a random selection of these designs.
