Bring a splash of colour to your space with the Spectrum Plus collection. A timeless design from Johnson Tiles has been reimagined while still retaining its widely popular and classic style. With the Spectrum Plus collection, you can create a bold contrast or a simple, elegant look — the possibilities are endless.

The Spectrum Plus range is perfect for kitchen splashbacks, bathrooms, feature walls, and commercial projects. It is made for long-lasting use and low maintenance, so your space will look great for years to come. With a vintage-modern appeal, Spectrum Plus adds a touch of retro style to your space while also incorporating modern trends.
